

QUARTERLY NEWSLETTER – APRIL 2019 TO JUNE 2019

## Joint Note from Board members :

It gives us great pleasure to announce that the last quarter at the Live Life Love Life Charity Foundation was extremely successful. Nag Foundation disbursed medical charity valued at Rs. 2,17,484 for surgery, medicines and treatment, and Rs. 1,90,000 for Herceptin Drug. On the eve of No Tobacco Day on 31 May 2019, Nag Foundation held camps at various locations in the city in a span of three months to spread awareness about the hazards of tobacco consumption. About 600 people attended these camps. The Nag Foundation also runs the 'Mahatma Jyotiba Phule Jan Arogya Yojana Scheme' and the 'Ayushman Bharat Scheme' meant for patients below the poverty line & yellow ration cards. The Surabhi Nag Research Award was started, to promote young researchers in India. This year, the Foundation and the WCI (of Tata Hospital) have come together and instituted a combined award for research of Breast Cancer. Care India Medical Society reported 6 CA Breast cancer patients and their treatment is done free of cost, as all of them come from lower income groups. Prayas team has conducted 23 Cervical Cancer Screening Camps where 930 women were screened, 24 women found positive and were treated following WHO guidelines and 5 referred to Prayas for further treatment and 1 woman sent for Biopsy. Live Life Love Life Charity Foundation has provided funding support to Prayas for dubbing of the cervical cancer awareness films in Hindi and for a project on colorectal cancer screening. We are in deep gratitude towards all our donors, who have come forward to generously donate for this cause and also towards our beneficiaries who are doing an excellent job.

## Prayas Health Group

---

### Prayas - Highlights for April 2019 to June 2019

Prayas, established in 1994, (Initiatives in Health, Energy, Learning and Parenthood) is a non-governmental, non-profit organization based in Pune, India and has been actively working in the field of cervical cancer prevention since 2010.

Live Life Love Life Charity Foundation has been facilitating a grant from BMC Software India Pvt Ltd to Prayas since 2016 for cervical cancer prevention. This is now the third year of funding that Prayas has received for 'Cervical cancer prevention programme'. The grant from BMC Software India Pvt Ltd has helped Prayas in screening more than 10,000 women so far. Women who screen positive are provided appropriate follow-up following the WHO guidelines.

Live Life Love Life Charity Foundation has provided funding support to Prayas for dubbing of the cervical cancer awareness films in Hindi and for a project on colorectal cancer screening.

The views of the Hindi films have increased in this quarter and are as follows:

- Hindi film (long) available at [https://www.youtube.com/watch?v=ofE1CoaY\\_JE&t=17s](https://www.youtube.com/watch?v=ofE1CoaY_JE&t=17s) = 4212 views (last quarter was 3089)
- Hindi film (short) available at <https://www.youtube.com/watch?v=MGc-tDViBE0&t=28s> = 1082 views (last quarter was 843)

## 1. Awareness meetings

The Prayas team conducts awareness meetings for women and girls with an aim to educate them about cervical cancer prevention, and the benefits of screening and HPV vaccination. Such meetings are conducted during each screening camp or prior to the camp. Prayas conducts at least 10 cervical cancer screening camps per month and more than 400 women are screened per month who are also educated about cervical cancer prevention.

## 2. Cervical Cancer Screening camps supported by BMC Software India Pvt Ltd.

BMC Software India Private Limited, through their CSR initiative, has supported Prayas to conduct cervical cancer screening camps in Pune city to increase awareness and to provide free cervical cancer screening to women from the low socio-economic group. BMC Software has also donated a mobile clinic van which is used as an onsite screening facility with provision for appropriate treatment in the community setting. Between Apr 2019 and June 2019, Prayas conducted 23 cervical cancer screening camps where 930 women were screened and 24 women who were screen positive were treated.
